Manta Ray

The color is Silver.

The Manta Ray is played
in the key of C major.

Please note the photos of our
instruments may show slight
variations of components.

- No Wrong Notes
- All Abilities, All Ages
- Everyone Can Play!

The Manta Ray has a magical sound. The chimes on the two sides are repeated and it has four mallets, making it a great instrument for two people to play together. You get a lot of sound from the 36 anodized aluminum keys, and the sleek powder-coated steel frame is a new, stronger design.

Please see our web site
for Manta Ray options.
